

Podcasts

- [AQA A-Level Psychology](#) – AQA A Level Psychology revision
- [BBC Sounds - All in the Mind](#) - All in the Mind is a bit of a one-stop shop when it comes to psychology, describing itself as a podcast “on how we think, feel and behave”.
- [Hidden Brain](#) - a podcast that looks to examine human behaviour, emotions, and relationships.
- [Two Guys on Your Head](#) - hosts Dr. Art Markman and Dr. Bob Duke explore a different facet of human behaviour and the brain in each episode.
- [PsychCrunch](#) - Being a podcast from the British Psychological Society (BPS), this is a fundamental for any psychology student.
- [Speaking of Psychology](#) - a podcast created by the American Psychology Association (APA) and aims to “[highlight] some of the latest, most important, and relevant psychological research being conducted today”.
- [The Psychology Podcast with Scott Barry Kaufman](#) - provides an excellent opportunity to understand the world we live in, yourself and others, and shows how to stimulate your mind.
- [Speaking of Psychology](#) - audio podcast series highlighting some of the latest, most important and relevant psychological research being conducted.
- [Hidden Brain](#) - Shankar Vedantam uses science and storytelling to reveal the unconscious patterns that drive human behaviour, shape our choices and direct our relationships.
- [Psychology in 10 Minutes](#) - Find out something new about psychology while you sip your morning coffee.
- [The Psych Files](#) - The Psych Files is a podcast for anyone interested in the topic of psychology and how ideas in this field apply to everyday life.
